

CITY OF AVON

Department of Utilities

35030 DETROIT ROAD • AVON, OHIO 44011-1099 • (440) 937-5740 • FAX (440) 937-5937

DAVID CONRAD
Supt. of Utilities

Dear Property Owner:

This notification is to inform all City of Avon property owners with in-ground sprinkler systems that as per City Ord. # 117-89 and State Ord. # 3745-95-04 all systems must have a backflow device installed and tested annually.

These devices must be tested by a State Certified Backflow Tester and recorded with the City of Avon Utilities Department at the time each system is installed and annually at the time systems are activated.

It is the responsibility of each property owner to contact their Irrigation Contractor to perform this work or recommend a Certified Tester. All required testing/forms must be submitted no later than, July 31, 2010. Failure to abide by these regulations will result in termination of services.

The Avon Utilities Department does have a list of local firms should property owner need their services.

If you should have any questions please contact me (440) 937-5714.

Thank you,

Dave Conrad
Superintendent of Utilities
